## **UNHOLY SCANDAL**

### **BAED ON A TRUE STORY**

*Father Paul Freemont was the beloved pastor of a thriving Catholic Church in a suburban Virginia community—until he was accused of the sexual abuse of minors. **Unholy Scandal** is based on the true story of a Catholic priest's quest to prove his innocence of the accusations, which were alleged to have occurred decades prior during his tenure as principal at an all-boys Catholic high school.*

## *WHEN HE WAS ANNA*

### A MOM'S JOURNEY INTO THE TRANSGENDER WORLD

*He was once she.*

*When He Was Anna: A Mom's Journey Into the Transgender World was written with the goal of helping parents see that they aren't alone as they struggle to navigate the parenting journey and recover from mistakes made along the way. It is a mother's brutally honest story of the stress and confusion that consumed her family in the early years of her child's transition from female to male. In the end, there is one certainty - the struggle is real; so is the love.*
